Good afternoon Sophia,

I hope you had a great holiday season and New Year. I'm contacting you regarding parking issues that I think may be related to the Hollywood Recreation Center.

As you may know, this area is dense with older apartment buildings and faces some parking challenges as a result. On Lexington Avenue, directly adjacent to the Hollywood Recreation Center, there is the current posted restriction **"No Parking Fridays 12am (midnight) to 6am."** Neighbors have requested that this parking restriction be eliminated, but we wanted to check with RAP first to see if the restriction was somehow related to the Rec Center (we can't locate any records one way or the other).

Could you please advise if RAP would be supportive of eliminating this parking restriction, and thus opening this block up to parking on Friday nights/Saturday mornings?

Thank you, and Happy New Year!

Hi Dan,

Happy New Year!

I'll check into it. I don't recall parking since we started the pool project. We may want LAPD and RAP Aquatics to weigh in.

Regards,
Cathie

Thanks, Cathie! Yes, please let me know -- I'm curious. LADOT was open to removing the restriction but asked me to check with RAP since it's directly adjacent to the Rec Center. Please keep me posted, and thank you!

Good afternoon Cathie,

I hope all is well! I wanted to check in on this. Were you able to look into any history behind this parking restriction on Lexington, "No Parking Fridays 12am (midnight) to 6am," adjacent to Hollywood Rec Center?

If it's not needed by RAP, we would like to explore the removal of this restriction. Please advise.

Thanks!

Sincerely,

Dan Halden

I believe the no parking is to keep people living in their cars from parking overnight outside the facility. There is a homeless issue at Hollywood. Unfortunately the park director has retired. Perhaps Carl Cooper or the District Supervisor knows more about the parking restriction.

Hi Cathie and Ramon -

I believe we briefly talked about this in our meeting re: EP Lake recently. Dan and I thought the parking restriction may have been connected somehow to the rec center but I believe you said no, can you please advise as soon as possible. Thanks.

Hi Cathie,

Following up on Marisol's email from last month, and my several emails over the past few months. I have been waiting for an answer from you since January. Does RAP support eliminating the existing parking restrictions on Lexington adjacent to the Rec Center?

The existing restrictions are "No Parking Fridays, 12am - 6am." We would like to see them removed ASAP so the community has more parking options. Again, we have been waiting for a confirmation from you for almost four months. Please let us know.

Thanks,

Dan Halden
